Recording and Streaming

Video Capture, Recording & Streaming Appliance

Bee3 Plus
£2,699.00

The Bee3 Plus is an all-in-one video production system that is equipped with a 10.1" touchscreen, two HDMI inputs with embedded audio and one HDMI output for local viewing.

Bee3 Plus supports the recording and streaming of two signals selected from your choice or 2 hardwired HD inputs and/or 1 IP camera input.

Audio support from a 3.5mm line-level input or unbalanced MIC input, along with built-in attenuation and gain control. Multiple template layouts are available.

Bee8 Plus
£4,999.00

The Bee8 Plus is a recording and streaming appliance equipped with 5 HDMI inputs, 4 SDI inputs and 2 HDMI outputs for local viewing.

Bee8 Plus can support the capture and recording of 5x video, 1x VGA and 3x audio in one MP4 file. Simultaneously live stream content by RTSP and RTMP streams.

Simple one-button recording, USB external storage, 2TB hard drive.

Bee8 Plus 4K
£5,999.00

4K version of the Bee8 Plus recording and streaming solution.

Bee9 Plus
£7,999.00

The Bee9 Plus integrates auto-tracking, auto-switching and recording functions so it can track a persons movements, detect the signal source changes and auto-switch the images.

Bee9 Plus supports 5 SDI inputs and 1 HDMI input for capture of multiple video sources. Support of RTMP, RTSP and HTTP streaming allows users to stream content direct to platforms such as YouTube.

Embedded audio processing, 2TB hard drive and automated publishing to media centre.

Network Recording, Streaming & Decoding

CH50
£10,999.00

Video conference recording server for recording 5 individual channels. Each channel records 2x visual sources with a typical combination of 1 x HD video and 1 x VGA with 1 x Audio.

Compatible to the MCU and video terminal device of various brands working with H.323, H.239. Users (unicast live + VOD streams) up to 50. Storage: 1TB hard drive, supports FTP. Management via the web and front panel buttons.

All prices are GBP and exclude VAT. All orders below the value of £500 (ex VAT) will be subject to a freight charge of £10 ex VAT.
This price list supercedes all previous price lists. All prices and specifications are subject to change without notice. E&OE.
